v.

GUILLERMO VASCO

ORDER AND INITIAL STATUS REPORT

September 6, 2005

SOROKIN, M.J.

An Initial Status Conference was held before this Court pursuant to the provisions of Local Rule 116.5. Based on that Conference the Court enters the following report and orders.

1. Upon defendant's request and the government's assent, the time for defendant to serve his discovery letter is extended to November 7, 2005. The date for filing a discovery motion, if any, shall be set at the Status Conference on November 8, 2005.
2. Upon defendant's request the government shall disclose its expert reports, if any, no later than 30 days before trial and defendant shall disclose its expert reports, if any, no later than 15 days before trial.
3. The government is responding to various discovery requests made by the defendant.
4. The parties agree that it is premature to set a date for filing dispositive motions at this time.
5. The parties agree and the Court find, pursuant to the provisions of 18 U.S.C. sec 3161(h)(8) and Local Rule 112.2, that the interests of justice, i.e review of the case, review of the evidence, investigation, informal exchange of discovery, and consideration of how best to proceed with this matter, outweighs the best interests of the public and the defendant for a trial within seventy days of the return of the Indictment. Accordingly, the Court Orders that the time from September 6, 2005 through and including November 8, 2005 is excluded from the Speedy Trial Clock. The Court notes that each day from the date of the arraignment has previously been excluded.
6. Counsel reports that this case will go to trial.
7. The Court has scheduled the Interim Status Conference for **November 8, 2005 at 2:00 p.m.**
